Awarded \$10,000 from Diamond Insurance Group, Inc.
through Liberty Mutual® and Safeco Insurance® Make More Happen™ Awards**

Liberty Mutual and Safeco Insurance are pleased to announce that Diamond Insurance Group, Inc. has earned a 2020 Make More Happen Award, which recognizes their volunteer work with Child and Family Guidance Center of Texoma (CFGC) and demonstrating its commitment to improving the local community. The award includes a \$10,000 donation that will directly benefit CFGC, a nonprofit organization who exists to strengthen, improve, and empower the lives of hurting Texoma children and families, through compassionate and restorative mental healthcare.

Since 2006, Stacy Diamond Rake, owner of Diamond Insurance Group, has served families and children who have experienced trauma. She currently serves as Board President of CFGC, which cares for about 3,000 children, teens and their families regardless of their ability to pay and assists them with mental health and family system education

The \$10,000 donation will be used to provide healing sessions for 133 children, teens or adults and education and care concurrently for the people who support them. This comprehensive approach heals entire family systems which in turn can heal communities.

“We gladly volunteer our time and efforts to CFGC who are healing the hearts of those who need it most including those battling trauma of abuse, abandonment, bullying, grief and more,” said Rake. “Because we feel so personally committed to CFGC, we are truly grateful to Liberty Mutual and Safeco for the Make More Happen Award because it is an incredible opportunity to bring awareness to CFGC and to provide them with much-needed funds to support their important work.”
